This is for informational purposes only and is not an exhaustive list of Scan Data Service Providers. AGDC and its affiliates do not endorse, recommend or guarantee any Scan Data Service Providers, products or services. Mention of any such providers, products or services by AGDC should not be construed as, and is not, an endorsement or recommendation. Compatibility Information is based on representations by the Scan Data Service Provider and is not verified by AGDC. Retailers should contact the Scan Data Service Provider for complete details and information related to its services, including compatibility with hardware/software. For additional Scan Data Service Providers, please reference the Scan Data Service Providers List available at insightsc3m.com. Use of a Scan Data Service Provider is not required to submit scan data or to participate in an AGDC Scan Data Program.
